Project	# PANORAMIC VIEWPOINT OF THE CITADEL IN LIEGE
Architects	ANNE RONDIA, VILLE DE LIÈGE, AMÉNAGEMENT DES ESPACES PUBLICS, BUREAU D?ÉTUDES PAYSAGE
Address	boulevard du 2e Lancier, 4000 Liège
Programe	The finishing point of the walking paths, the embankment of the panoramic viewpoint stands 80 m high over the historical city centre. The development heightens the perception of the site features: the overhang, the emptiness, the angle towards the landmarks dotting the landscape.
Typology	Landscape, urban areas
Status	Built
Conception	2008
Delivery	2010
Client	Ville de Liège
Total budget	394084 euros HTVA
Per square meters	3427 euros HTVA / m²
Area	115m²
Stability	BEG, Bureau d?études Greisch, Vincent Servais Ingénieur

rue de Namur, 2 étage 3 local 312
4000 Liège
