## ATELIER D'ARCHITECTURE DE GENVAL

8 rue de la Sablière  
1332 Genval

Description

The Atelier d'Architecture de GENVAL, created in 1967 upon completion of the Glaverbel building and situated next to Brussels, is now a civil society under the form of an SCRL.

Tél : +32 2 653 09 60  
Fax : +32 2 654 17 46

Its object is the accomplishment of all acts and study works within the scope of the architect's mission.

atelier@genval-architecture.be  
www.genval-architecture.be

Its competence extend to activities related to the architectural profession but not exclusively, such as consultancy work, feasibility studies, interior design, landscaping, furniture and decoration.

OTHER PROJECTS :

The Atelier d'Architecture de GENVAL also respond willingly to framework programs in symbiosis with other architects, by participating, in the very beginning, on the development of concepts until the realization, by integrating all environmental contingencies.

Silver Tower  
- 2008-2013 2016  
- Bruxelles

Our will to work in a team, collaborating, early in the design process, with engineers, technicians and if needed, other architects or artists the most aware of the matter, allow often a realization that exceed dramatically the Client's expectations.
