Project	# RESIDENTIAL.
Architects	ATELIER DE L'ARBRE D'OR SA
Address	Avenue Albert Ier 18 à 50 et Rue du quai 3 à 9, 5000 Namur
Programe	The project involves the construction of a multi-residential complex low diversified energy comprising 140 apartments with 1 to 4 bedrooms, 5 shops and / or professional and one restaurant. The set is built on a common basement consists of 156 parking spaces, cavettes and technical premises.
About	Located on the left bank of the Meuse, at the entrance to the city, the project focuses on the integration of a contemporary frame quality in an open urban environment. This residential complex, highlighted by the presence of water, was designed according to advanced standards of sustainable development. Meuse side stalls volumes and terraces strata are staged from near planted along the towpath to the penthouses. The docks were redeveloped into public garden agora Meuse, offering a welcoming space walk along the water. The towpath, redeveloped contribute to the extension of Ravel. Side boulevard, a small square creates a break in the frame front, in line with the Houyoux. The housing project is completed downstream by building 7630 m² of offices to the new headquarters of the KBC Bank & Insurance.
