Description

## CRÉATIVE ARCHITECTURE SPRL

We are a team of 15 architects and have been in the working for over 20 years. We carry out projects of all sorts and sizes: major housing complex, family houses, city halls, schools, nurseries, rest homes, residence services, ? everywhere in Wallonia.

We have started to work outside of Belgium. We have a 350 housings project in Pierrepont, France, and a HQE building project in Morocco.

Having developed a few more skills, we can now offer complementary operations:

-feasibility studies including risk assessment.

-urban planning studies of major ecodistricts and their planning.

-interior design studies, for example the design of made to measure furniture or the definition of colour schemes.

Intern research units also work in various domains such as perceptions of motion in the space, new ways of living,

innovations in diverted use of material (circular economy), ?

We are polyvalent, flexible, fast and easy to reach. Our motto comes down to three words: PASSION, EXPERTISE, CREATIVITY.
