

Project

MICX - CONVENTION CENTER IN MONS

Architects

H2A IR ARCHITECTE & ASSOCIÉS

Address

Avenue Melina Mercouri, 7000 Mons

Programme

The program of the Convention Center was elaborated by the specialized office Aubry & Guiguet Programmation. Among the different projects that participate to the City of Mons' development, the convention Center is certainly one of the most important. Moreover the fact that it has to be a machine to organize some conventions, it also has to be an iconic project that symbolizes the city's renewal. It include auditoriums, multi services spaces, offices, commission rooms, parking, restaurant,...
