OTHER PROJECTS :

The design of the ADT offices finally follows the roots principles of urbanism: To think the interior as an open space: clear, soft, open to all kind of practices; consciously encouraged by its volumes, its acoustic and lightning qualities.

Typology

Offices (include mixed use)

3 housing units and a shop  
- 2010 2011  
- Bruxelles

Status

Built

Participatory planning and sustainable neighborhood
