Address

Rue d'Anderlecht 139-147, 1000 Bruxelles

Programme

The Savonnerie Heymans complex reflects a truly sustainable approach by recreating a real new neighbourhood of 42 low-energy and passive social accommodations including apartments, lofts, duplexes and Maisonnettes. Although a 100% public housing scheme, thanks to the diversity of its program the Savonnerie Heymans provides a variety of spaces echoing the diversity of the people living in the very heart of Brussels.
