

Project

AUTOMNE\_1410

Architects

MICHÈLE VERHELST ARCHITECT

Address

Waterloo

Programme

Construction of an annex to a single family home 4 facades.

About

The Client was initially eager to build a "standard" veranda to his family house 4 facades.  
After contact with the architect Michele Verhelst, the latter convinced the Client rather to use its services. Michèle Verhelst then proposed the construction of a glass annex containing a large bright lounge space very different from what could be provided by a "standard" veranda ...

Typology

Private houses

Status

Built

Conception

2011
