

Project

# CHARLEROI PARC OUEST

Architects

NFA (NICOLAS FIRKET ARCHITECTS)

Address

Quai de Flandre, 6000 Charleroi

Programme

In the particular environment of the city of Charleroi, characterized by the crisis on each level of society (economic, social, political, institutional, administrative?), the question of how to « build the city » suddenly becomes more relevant. NFA is invited to a closed competition, with four other offices, which has the distinctive feature of being organised by the holders of the property.

Typology

Civic and community

Status

Concept proposal

Conception

2012
