OTHER PROJECTS :

Programme

New identity, new functioning and new design for the oldest performing arts school in Brussels.

Karreberg
- 2016 2018
- Hoeilaart

About

Numerous young artists found their way to this beautiful musical theatre school. The 40-year-old institute got the aesthetic and functional refurbishment it deserved. Various rooms and stages accommodate all kinds of disciplines. The integration of a lively foyer with custom-made furniture turned l'Ecole de la Scène in a place to meet, exchange, stop and let imagination run free
