**OUEST ARCHITECTURE**

---

**Description**

The office was founded in Brussels in 2009 and focuses on topics and projects around architecture, culture and society; ranging from built works to research and curatorial programs. Ouest is part of international collective Supersudaca ([www.supersudaca.org](http://www.supersudaca.org)).

The office has grown steadily since 2009 and is now composed of several architects.

Ouest has a predilection for dense urban situations and for contextual approaches.
