CHABO'T DAY CARE NURSERY

Project	
Architects	SYNTAXE ARCHITECTS
Address	Rue des Tanneries, 6, 5070 Fosses-La-Ville
Programe	Construction a day care nursery for 24 children. Low energy building, selective glazing, green roof, rainwater recovery system, biomass heating.
About	The project is designed as a furniture in the middle of an empty space in the village. Its a low building, organized into two distinct functions: one dedicated to the children (facing the garden) and the other dedicated to the organization and administrative offices. The facades are treated to reflect this organization (the "sculpted" wood for the children part and brickworks for offices).
