

Project

FABLAB CITYFAB1

Architects

OPLA ARCHITECTURE

Address

37 rue Dieudonné Lefèvre , 1020 Bruxelles

Programme

Cityfab 1 is a space dedicated to digital manufacturing. Diminutive of "fabrication laboratory", this fablab gives access to any person, whatever his level of knowledge, tools and knowledge to implement projects using computer-controlled machines.

Cityfab 1 is above all a transversal place of exchange, sharing and training around the technical know-how to invent, manufacture and achieve otherwise. Because new modes of consumption are seeing

Typology

Civic and community
