LES DIX PREMIÈRES ANNÉES DE TRAVAIL DE L'AGENCE BRUXELLOISE OUEST

The first ten years of work of the Brussels agency OUEST 2009-2019 told in this self-edition. Projects, work methodologies, inspirations and stolen moments are gathered in this book, made possible thanks to the support of Wallonie Bruxelles Architecture.

<br class="innova">

The office was founded in Brussels (BE) in 2009 and is managed by Stéphane Damsin and Jan Haerens, architects. It focuses on subjects and projects around architecture, culture and society; ranging from built works to research and conservation programmes. Ouest has a predilection for dense urban situations and contextual approaches.
