## AGWA: CONFERENCE IN TOKYO

---

The Department of Architecture and Building Engineering at the Institute of Technology in Tokyo will be hosting a lecture by Brussels-based studio AgwA as part of the opening ceremony of its spring semester on Monday 8 April 2024. This will be an opportunity for the office to present its practice, its projects and the In Practice editorial project. After the lecture, a discussion session will be organised with professors, practitioners and local players, providing an opportunity to exchange experiences on architectural practices in Belgium and Japan.
