## ARCHITECTURE WEEK PRAGUE 2013 - HEBBELINCK: ARCHITECTURE UNDER CONSTRUCTION

WBA and WBI/Prague organise an exhibition and a lecture at the Architecture Week Prague 2013.

The seventh edition of the festival of architecture and urbanism, Architecture Week Prague 2013, will take place from September 30th to October 20th 2013 all over Prague. The main theme of this year's festival is "Architectural heritage and contemporary architecture".

In this framework, the architect Pierre Hebbelinck will give a lecture on October 15 at the Technical Library on the theme of "Architecture under construction."

In addition, one of his models will be on display at the exhibition taking place at St. Georges Convent at Prague Castle in the framework of the Arch World exhibition.
