BELGIAN ARCHITECTS AT OSLO ARCHITECTURE TRIENNALE 2013

Address

DogA, Hausmanns gate 16, NO 0182 Oslo

For its fifth edition the Oslo Architecture Triennale (OAT) and its Belgian curators Rotor presents *Behind the Green Door*, an exhibition based on how the notion of sustainability has influenced architecture and urbanism over the last decades.

Among the architects presented in this exhibition at DogA, five are from Wallonia and Brussels: Atelier d'architecture Alain Richard (with Riva Bella, published in *Visions*), Atelier Carnoy-Crayon, Samyn and Partners, Luc Schuiten and Vincent Callebaut.

WBA and the architects Alain Richard, Jean-Philippe Possoz et Luc Schuiten will be present at the opening weekend (19th-21st September). OAT will invite international guests to three days of exhibitions, and organize conferences and expert talks, an open house programme and other special events.
