## BELGIUM NEW ARCHITECTURE

---

In an introduction dedicated to the theme of public space, the Bouwmeesters of Brussels and Charleroi share their vision with us, the architects of Citilinks unveil an international perspective, from New York to Shanghai and those of Bye Bye Bye Petite Ceinture invite us to dream of Brussels differently.

Offices/health - housing/working - public spaces - cultural & educational sites: discover 63 projects by Belgian and foreign architects, included in this volume.
