## BINARIO: SHORTLISTED FOR THE AADIPA PRIZE

---

The project Visitor Center at the abbey site in Villers-la-Ville designed by Binario Architectes, in collaboration with Pigeon Ochej Paysage (landscape) and L'Escaut (Scenography) is one of the shortlisted works for the 4th Edition of the European Award for Architectural Heritage Intervention AADIPA - in the category external spaces.

The winning and finalist works in each category, as well as the Special Restoration Award, will be announced on June 13, 2019 in Barcelona during the awards ceremony that will take place at the COAC at 6:00p.m.
