BUILT UNBUILT

Built Unbuilt revisits 16 years of Julien De Smedt's work from the inception of the architectural practice PLOT with Bjarke Ingels in 2001 to the work of JDSA and the founding of the design studio Makers With Agendas with William Ravn in 2013.

The Built section of this book gives an overview of De Smedt's built work seen through the lens of photographer Julien Lanoo.

The Unbuilt section is a selective narrative by De Smedt of projects that haven't made it to the built world.

Launch: September 14th at CouCou, Place Flagey, Brussels, 6pm - 10pm. In collaboration with Design September.
