CONFERENCE " FATAL ERROR" BY PIERRE HEBBELINCK

Address

Atelier échelle 1 de l'ensapl, Rue verte 2 , FR 59650 Villeneuve d'Ascq

For the first time, the ENSAPL innovates: the conference will be held not in an amphitheater but in the Atelier échelle 1.

Pierre Hebbelinck and Pierre de Wit, two architects from Liège will present the components of their architecture through a tour of their workshop / laboratory.

Founded in 1994, l'Atelier d'architecture Pierre Hebbelinck (B) covers all aspects of architectural research. Creation affects both public infrastructure and private housing or furniture. In 2004, l'Atelier founded the publishing house "Fourre-Tout" which aims to promote the poetic dimension of architecture.
