

EUMIES AWARDS 2022 EXHIBITION

The EUMies Awards 2022 exhibition with models, texts, videos, sketches and drawings of the 40 shortlisted works and a summary of all 532 nominees is presented in Barcelona from 1-12 May in the context of Model. Barcelona Architectures Festival.

An occasion to (re)discover the project Paris Saclay by Bruther/Baukunst. The building combines a student residence and convertible parking lot within the Paris-Saclay campus.

Located in the heart of the Ecole Polytechnique district, as part of the Master Plan carried out by the team of Xavier De Geyter Architects, in collaboration with the landscaper Michel Desvignes. The project takes the side of an indifferent superimposition of programs within an inhabited structure allowing versatility and reversibility of uses.
