L'ESCAUT: LECTURE IN PARIS

On Monday April 9th at 7PM, Olivier Bastin from the Brussels-based office L'escaut Architectures will give a lecture at Cité Chaillot.

Scheduled by the Platform of the architectural creation, the Interviews of Chaillot are monthly conferences of an architect, a town planner or a landscape designer, from France or from abroad. It goes on his realizations and his projects, his thought, his approach, his methods.
