LAUNCH OF THE PUBLICATION BEHIND THE GREEN DOOR - COPENHAGEN

Address

Strandgade 27, DK 1401 Copenhagen

WBA is involved in organizing the launch of the publication related to the exhibition Behind the Green Door by Rotor which runs at the Danish Architecture Centre (Copenhagen) until 25 May 2014.

This publication, entitled Behind the Green Door, A Critical Look at Sustainable Architecture Through 600 Objects, will be presented on April 23rd at the DAC where Rotor will give a lecture.

The book summarizes the work carried out for over a year by Rotor on the issue of sustainability in architecture, work that had first led to the exhibition of the same name in the context of the Oslo Architecture Triennial.

Among the architects presented in this publication, five are from Wallonia and Brussels: Atelier d'architecture Alain Richard (with the project Riva Bella, published in Visions), Atelier Carnoy-Crayon, Samyn and Partners, Luc Schuiten and Vincent Callebaut.

The book will also be presented in other European cities : Antwerpen (De Singel) on 22/4; London (Central Saint Martins) on 24/4 and Oslo (0047) on 25/4. Discover a text by Lionel Devlieger about the purpose of Rotor.
