LECTURE: ISHINOMAKI ARCHITECTURE WORKSHOP

Address

CIVA, Rue de l'Hermitage 55, 1050 Bruxelles

Postcard from resilient future.

This lecture organised at CIVA on the 9th of November 2011 will present the results of the Workshop organised this summer par a group of young architects from the Facutlty of Architecture of Université Libre de Bruxelles (ULB).

The Workshop's aim was to help citizens to plan the reconstruction of their city and neighbourhoods.
