
MSA: LECTURE IN BARCELONA

On April 16th 2018 MSA will participate in a debate concerning the reconversion of the prison "La Model" in Barcelona on the invitation of the Ciutat de Barcelona and the Col·legi d'Arquitectes de Catalunya.

They will present the methodology and the study that they realized in 2014 concerning the reconversion of the prisons of Saint Gilles and Forest, study carried out in associations with V+ , Idea Consult and Origin.

This study presents scenarios of preservation in connection with the possibility of opening sites and of settling diverse urban programs allowing the reconversion of buildings and the activation of the open spaces.
