## PIERRE HEBBELINCK: LECTURE IN GRENoble

Pierre Hebbelinck will give a lecture at ENSA Grenoble on April 16th at 5pm. It is part of the HMONP training at ENSA Grenoble.

The HMONP training course has for the past 3 years included a series of lectures on "agency narrative" which presents remarkable architectural practices, not only in terms of the quality of the work produced, but also in terms of the clarity of the attitude, the know-how developed, the particular relationship to a territory, a material, etc. The narrative of these experiences will highlight the richness, responsibility and commitment of the architect's profession.
