RENOUVEAUX PLAISIRS D'ARCHITECTURE #3 IN BORDEAUX

The exhibition Dithyrambes, ReNouveaux Plaisirs d'Architectures#3 will be presented at the espace 308 in Bordeaux from December 4th 2014 to Juanuary 20th 2015. Launch and lecture on Wednesday December 3rd in presence of the curatorial team and the exhibited architects.

Moreover, a one-day seminar will be organized in collaboration with ENSAP Bordeaux about architectural mediation on December 3rd.

This exhibition, curated by the Belgian architect Pablo Lhoas (Vice-Dean at the Faculty of Architecture of La Cambre Horta - Université Libre de Bruxelles and founder of the office Lhoas & Lhoas) presents the work of nine emerging architecture offices: adn architectures, vincent p. alexis, Label architecture, LLAC architects, Radim Louda, Orthodoxe, SPECIMEN, VERS.A and V.O.

Sara Noel Costa de Araujo (Architect) is the exhibition designer.

The exhibition, shown in early 2013 in Brussels and in late 2013 in Sao Paulo, is accompanied by a book in French realised by the Belgian architect Jean-Didier Bergilez (Professor at the Faculty of Architecture of La Cambre Horta - Université Libre de Bruxelles). Discover an abstract in "Posts".

More information about the exhibition's content here.

Coproduction CIVA / hortence - Faculty of Architecture of ULB. With the support of WBA.
