ROTOR: LECTURE MATERIALS, RE-USE AND ARCHITECTURE IN PARIS

Address

Pavillon de l'Arsenal 21, bld Morland, FR 75004 Paris

Rotor (Lionel Billiet & Michael Ghyoot) will speak at the Pavillon de l'Arsenal in Paris on November 17th at 7 PM in the frame of the lecture linked to the exhibition Materials, re-use and architecture.

Together with Supercuse Studios (NL) and Encore Heureux (FR), the Belgians will discuss on stakes in the re-use and its possible at a critical moment when architecture longs to reinvent itself between environmental, economic requirements and new practices.
