ROTOR: EXHIBITION CONSTELLATION.S IN BORDEAUX

Address

Entrepôt 7 rue Ferrère, FR 33000 Bordeaux

From the 3rd of June to the 25th of September 2016, within the exhibition constellation.s, Rotor is invited by Arc en rêve to speak about the reemployment of construction materials at a decisive time when architecture aspires to reinvent itself, between environmental and economical obligations, and new uses.

Constellation.s is a project devoted to new ways of living in the world that will take the form of a major exhibition and a series of public events and publications in 2016. With the support of Wallonia-Brussels International.
