The renovation-extension of La Grand Poste, an emblematic building in Liège, by the developers Noshq Immo and BPI Realestate, is nominated in the category BEST REFURBISHED BUILDING. Here, the architects of Altiplan are honoured, as well as their partners Two Designers (Interior design) - BPC Group (General contracting) - BEL (stability engineers and special techniques).

In the BEST OFFICE & BUSINESS DEVELOPMENT category, we find the new headquarters of BNP Paribas Fortis at the Montagne du Parc (architects: Jaspers-Eyers Architects / Baumschlager Eberle Architekten / Styfhals). Also in Brussels, Befimmo's ZIN project is nominated in the BEST FUTURA PROJECT category. The designers are again Jaspers-Eyers Architects, this time associated with the architects from 51N4E and AUC.

The winners will be announced at the MIPIM Awards ceremony on Thursday March 17 at 6:30 pm in the Grand Auditorium of the Palais des Festivals in Cannes.
