## TRAUMNOVELLE: EXHIBITION IN WROCLAW

---

"Terra X - ? Archive of the Future" exhibition at the Museum of Architecture in Wrocław. Built around "Terra X", Polish architect Stefan Müller's 1973 proposal for a new city in the clouds, "Terra X - ?" exhibition gathers visions by artists and architects for an alternative Planet Earth. Traumnovelle will be showing their new project "The Green People" alongside Superstudio, Rem Koolhaas and Elia Zenghelis with Madelon Vriesendorp and Zoe Zenghelis, Anna Szkurat-Wojno, Natalia LL and Stefan Müller. "The Green People" is an architectural fiction which questions society's ecologies.

Opening Friday October 25th at 6pm
