WHEN COMICS MEET ARCHI - END CLAP

Last year, WallonieBruxelles-Architectures, in partnership with the Maison de l'Architecture desPays de la Loire in Nantes, launched a European residence for Franco-Belgianarchitects and drawers. From May to September 2019, the French team - EtienneDuval, architect, and Jean Chauvelot, comic strip author - set off to discoverWalcourt (Belgium) and Saint-Jean-de-Boiseau (France) with the mission ofquestioning the peri-urban territories.
